

Bilateral Sinus Lift using ELIZ and AXOZ

Harvest the stem cells from the bone marrow

Mix the stem cells with the ELIZ, AXOZ is prepared

Fill the sinus with the ELIZ mix

The ELIZ shall fill the cavity for 90%

Cover the ELIZ with AXOZ

AXOZ is a closed system and shall be mixed for 2 min

The AXOZ will close the cavity as it hardens in 15 min

The excessive AXOZ shall be removed
